Reports and Analyses

Human rights, corruption and impunity

Over the last two decades, the most serious threat to human rights has been corruption and impunity. This represents a direct assault on one of the fundamental principles of human rights: equal treatment for all members of society.

Valentin Burada, Civil Society Development Foundation, Human Rights, Corruption and Impunity, National reports –Romania

Petty corruption and human rights implications: the case of Bosnia and Herzegovina

Corruption in Bosnia and Herzegovina still significantly affects the functionality of the state and the quality of everyday life of its citizens. The aim of this paper is to point out to human rights implications, particularly the inequality and discrimination-like effects that occur as a consequence of petty corruption.

Adrian Adzanela, , International Journal of Rule of Law, Transitional Justice and Human Rights, 2012, Year 2, Volume 2,
