Reports and Analyses

EU Presidency Anti-corruption Scorecard

The report includes an assessment of the transparency and accountability of the Lithuanian Presidency and of the progress on key anti-corruption issues in the Council of the European Union. This Scorecard evaluates the transparency and accountability of the Presidency of the Council of the EU and the anti-corruption track-record of Member States acting as part of the Council of the European Union.

Transparency International EU Office and Transparency International Lithuania, March 2014

Institutional Integrity, Corruption, and Taxation

This article explores what is institutional integrity and how is it related to institutional corruption. In the first part of this paper an account of institutional corruption is presented, such that institutional integrity has been eroded in one or more of a set of relevant dimensions. The main part of this paper explores the ways in which institutional corruption exists in taxation institutions.

Brock, Gillian, Institutional Integrity, Corruption, and Taxation (March 13, 2014). Edmond J. Safra Working Papers, No. 39
